

WHERE *Brilliance* BEGINS

June 2019

Dear 2nd Grader,

As your summer begins, we don't want you to forget about the wonderful things that await you next school year. During the summer there are three things we would like you to do for us in preparation for our time together next year.

One of the most important things you can do over the summer is to read. The beauty of summer is that you have so many places to get cozy and enjoy your books. Where is your favorite place to read? **When you come back to school, please bring a picture of you in your favorite reading spot.**

Reading is so important; the second thing we would like you to do is to fill out a reading calendar to let us know how much you read throughout the summer. Your goal should be to read at least five days during the week. It would be FABULOUS if you read even more than that. Public libraries have fun summer reading programs. That is a great place to find books! Please write how many minutes you read each day on the calendars we have attached. **Bring your reading calendars in on the first day of school.**

The last thing we would like to ask you to do is to write us a letter or a postcard. We would love to hear about something you did this summer that was very exciting. Maybe you took a fun trip, or you made up an amazing game with kids in the neighborhood. It can be anything, but we would like it to be something you really enjoyed doing. If you want to draw a picture to go with it, we would love to see it. Be sure to write a lot of details so we can understand and imagine you having fun this summer. **Write your letter and send it to us at school any time this summer.**

We will be reading this summer, too. We can't wait to read your letters as they come in over the summer!

Warmly,
