## Middle School Stay and Study Program 2019-2020

The Middle School Stay and Study program is intended for students whose families cannot pick them up from school by 3:30 p.m. and who are not reporting to a ULS sports practice or meeting with a teacher. Keeping our Middle School students safe is our biggest priority. Thank you for helping us make sure our students are supervised after school.

**Cost:** \$4.15 per half-hour beginning at 3:45 p.m. and will be prorated for use.

### All Middle School Students:

#### **3:15 p.m. - Middle School Dismissal**

- Parent pick up  
OR
- Students report directly to their ULS team practice  
OR
- Students report to a teacher for scheduled meeting/extra help

#### **3:30 p.m. - Stay and Study begins in the Middle School library**

**5 p.m. - Stay and Study ends;** any remaining students are walked to the Lower School Stay and Play program

*Middle School students who are in the Middle School after 3:30 p.m. due to a parent/teacher conference or meeting must report to the library for supervision, but their family will not be charged for Stay and Study.*

**Families who wish to use Stay and Study simply need to advise their MS student to sign in with the faculty supervisor in the library whenever they attend Stay and Study. Families will be billed according to our sign-in records.**

Any questions regarding the Stay and Study program can be directed to the Middle School office.

Thank you,  
Liz McSorley  
Head of the Middle School
